

Vermont SWEEP, Shelburne Farms, and VT Agency of Education present a **Series of Workshops**

# Our Common Planet

Exploring Community Resources with the Standards in Mind

Connect the health and wellbeing of the planet to the new national standards. Each workshop has a different theme, location, and grade-level focus. Attend one, two or all in the series. **Workshops are FREE.** Questions? Contact Jen Cirillo, [jcirillo@shelburnefarms.org](mailto:jcirillo@shelburnefarms.org), 802-985-0315.

All workshops connect to Common Core & Next Generation Science Standards.
