

Shelburne Farms

Programs for Educators 2020

Education is at the heart of what we do at Shelburne Farms: education that links knowledge, inquiry, and action to empower students to build healthy communities and a healthier planet. It's called "education for sustainability" and it helps teachers bridge subject areas and grade levels, curriculum and school operations, and parents and community partnerships.

— Jen Cirillo
Director of Professional Development

YEAR-LONG PROGRAMS

Northeast Farm to School Institute of VT FEED

KICK-OFF: Monday–Wednesday
JUNE 29 – JULY 1

Learn, network, and develop a farm-to-school action plan for your school to implement over the year. *VT FEED is a project of Shelburne Farms & NOFA-VT*

Education for Sustainability: Leadership Academy

KICK-OFF: Mon.–Wed., **JULY 20–22**

A learning community meeting seasonally to explore Education for Sustainability, systems thinking, and school transformation.

Climate Resiliency Fellowship

KICK-OFF: DATES TBD

Apply as a school team of 2-4 educators, then work together to implement interdisciplinary climate change education and place-based service learning projects in your school.

Watershed for Every Classroom

KICK-OFF: Mon.–Fri., **JULY 6–10**

Explore the rich ecological and cultural stories of the Lake Champlain Basin and bring your discipline alive through watershed education.

WORKSHOPS

Design Studio: Global Health & Well-Being MARCH DATE TBD

Educators and students come together to design projects and curriculum advancing youth-adult partnerships.

Project Seasons for Young Learners: *Cultivating Joy & Wonder* Monday–Friday, **JULY 13–17**

Enrich your early childhood curriculum using the Farm as your classroom and sustainability as your lens.

Education for Sustainability: Summer Institute Monday–Friday, **JULY 27–31**

Deepen your understanding and practice of Education for Sustainability with colleagues from around the country.

Education for Sustainability: Immersion

Thurs. & Fri., AUGUST 13 & 14

A summer tune-up in a beautiful retreat-like setting for those with a strong background in EFS and curriculum design.
