

## DIRECTIONS for Ages 12-14 Market Garden Camp Parking

Please greet the gatehouse attendant as you enter the property, then follow signs to the Market Garden. Do not exceed 25mph on Farm roads, and do not pass farm vehicles, including tractors. You may exit the property the same way you entered.

**PARKING:** Proceed to the Market Garden's second driveway – you'll see a camp parking sign indicating you've arrived in the right place.
