

Shelburne Farms

Programs for Educators 2019

Education is at the heart of what we do at Shelburne Farms: education that links knowledge, inquiry, and action to empower students to build healthy communities and a healthier planet. It's called "education for sustainability" and it helps teachers bridge subject areas and grade levels, curriculum and school operations, and parents and community partnerships.

— Jen Cirillo
Director of Professional Development

REGISTRATION REQUIRED FOR ALL PROGRAMS: SHELBURNEFARMS.ORG.

WORKSHOPS

Design Studio

Educators and students come together to design projects and curriculum advancing youth-adult partnerships.

Equity & Civic Engagement

Monday, **MARCH 18**

Complex Human & Ecological Interactions

Saturday, **APRIL 6**

Milk & More Workshop

Saturday, **MAY 4**

We took one of your favorite school program topics and turned it into a one-day educator workshop. *Last in the series.*

Project Seasons for Young Learners: *Cultivating Joy & Wonder*

Monday–Friday, **JULY 8–12**

Enrich your early childhood curriculum using the Farm as your classroom and sustainability as your lens.

Education for Sustainability: *Summer Institute*

Monday–Friday, **JULY 22–26**

Deepen your understanding and practice of Education for Sustainability with colleagues from around the country.

Education for Sustainability: *Immersion*

Thurs. & Fri., **AUGUST 15 & 16**

A summer tune-up in a beautiful retreat-like setting for those with a strong background in EFS and curriculum design.

YEAR-LONG PROGRAMS

Northeast Farm to School Institute of VT FEED

KICK-OFF: Tues.–Thurs., JUNE 25–27

Learn, network, and develop a farm-to-school action plan for your school to implement over the year. *VT FEED is a project of Shelburne Farms & NOFA-VT*

Education for Sustainability: *Leadership Academy*

KICK-OFF: Mon.–Wed., JULY 8–10

A learning community meeting seasonally to explore Education for Sustainability, systems thinking, and school transformation.

Climate Resiliency Fellowship

KICK-OFF: Monday–Wed., JULY 15–17

Apply as a school team of 2-4 educators, then work together to implement interdisciplinary climate change education and place-based service learning projects in your school.

Forest for Every Classroom

KICK-OFF: Mon.–Thurs., AUG. 5–8

Explore the natural and cultural stories of the Lake Champlain Basin as an integrated context for teaching all subjects; engage students in learning in their community; and develop a sense of place.

RELATED OPPORTUNITY

Green Schools Conference

Mon. & Tues., **APRIL 8 & 9**

LOCATION: Saint Paul, MN

MORE INFO: greenschoolsconference.org

Inspiring speakers, informative workshops and sessions, and networking with colleagues from across the country. *Jen Cirillo will co-present: "Putting EFS Benchmarks to Work on the Whole System."*
